- **Alpine Sensation** - Marking the 100-year anniversary of the Jungfrau Railway, A 250m long tunnel called "Alpine Sensation" connects the "Sphinx Hall" with the "Ice Palace". - **Sphinx Observation Terrace and Plateau** - One of the highest astronomical observatories in the world, provides an additional viewing platform at a height of 3,572 metres. It can be reached by an elevator from the Jungfrauoch, with the most breathtaking panoramic views of snow-capped peaks, the neighbouring countries and Europe's longest glacier, the Aletsch Glacier.
