#### 住宿

We have always embraced the concept of 'home away from home' when selecting hotels. We often go to great lengths to meticulously assess factors such as room types, geographical locations, and even the views available from within the rooms, all to ensure that we provide you with an accommodation experience that meets the standards. Our aim is to make your journey feel as comfortable as being at home. Typically, our first choice is 4-star and 5-star hotels, as they often meet our expectations for good quality accommodation.
