MACAO ✈️ DEPARTURE

(B/MOB)

TOURIST ATTRACTIONS:

MACAO

- ◆ **Ruins of St Paul** - Ruins of St. Paul's in Macau are marvelous sample of the Catholic history of this former Portuguese colony
- ◆ **Macao Tower** - is 338 meters (about 1,108 feet) above the ground. The highest observation level is the Outdoor Observation Deck on Level 61, with a height of 223 meters (about 732 feet). It was the eighth highest tower in Asia and the tenth in the world by the year of its completion.
- ◆ **Coloane Village** - Laid-back Coloane Village is ringed by a coastal trail leading to peaceful Cheoc Van and Hac Sa beaches. Portuguese colonial buildings include the striking yellow Chapel of St. Francis Xavier, while temple complex A-Ma Cultural Village has a museum of Buddhist artifacts. Macau Giant Panda Pavilion zoo draws families to see China's beloved native bears. Casual Portuguese and Macanese eateries line Parque Eanes square.
- ◆ **Former Iec Long Firecracker Factory Walkway** - The 400-metre walkway aims to pass on historical memories and is integrated into the characteristics of the environment for the public to indulge in the natural beauty of both the historic structures and plants. It will enrich the public's experiences of cultural tourism and leisure. Within the site, "The Echo of Firecrackers -Exhibition of the History of Macao Firecracker Industry" and a souvenir shop are open to the public.
- ◆ **The London Big Ben**- it features its own replicas of Big Ben, 10 Downing Street, Abbey Road and Trafalgar Square's Nelson's Column. The Londoner's homage to the UK certainly doesn't stop there. The Londoner boasts its own once-a-day Changing of the Guard ceremony, photo ops on a red double-decker bus, traditional British afternoon tea and virtual tours of London in a black cab led by none other than a hologram David Beckham.
- ◆ **Studio City** - has 17 pods traveling around a figure 8 shaped track and resembling a running 35 film reel! At 425ft high this spectacular structure is the highest in Asia, with stunning views of the South China Sea - it's a real must-do in Macau. The figure 8 track takes 15 minutes to circumnavigate, with each pod holding up to 10 people.
- ◆ **Taipa Houses Museum** - Considered as one of the cultural relics and heritages of the Island, the Taipa Houses-Museum comprises five distinctive green houses with the style of Portuguese architecture, featuring the "Macanese Living Museum", the "Exhibitions Gallery", the "Creative Casa", the "Nostalgic House" and the "House for Reception". In 1992, the Taipa Houses-Museum was acclaimed as one of in the top eight scenes of Macao for its outstanding beauty and important architectural value.
