TRAVEL ITINERARY

ITINERARY

DAY 1 - ARRIVAL IN SWITZERLAND

Individual arrival by train from airport/border to Interlaken. Overnight in Interlaken.

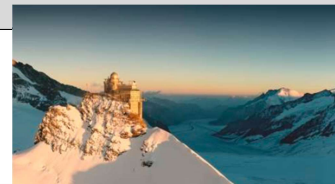

DAY 2 - BRIENZER ROTHORN

Travel by train from Interlaken to Brienz, where you board the famous Brienz Rothorn train. A steam locomotive will push two carriages from Brienz all the way up to Rothorn Kulm, with the journey taking an hour in total to travel 1678m in altitude. After some time at leisure on the mountain top, make your way down to Brienz where you board a boat for a lake cruise on the crystal blue Lake Brienz which will take you back to Interlaken. Overnight stay in Interlaken.

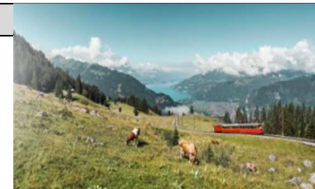

DAY 3 - DAY AT LEISURE

Today is at leisure, make use of your Swiss Travel Pass and discover the wider Bernese Oberland region. One of the most famous mountains in Switzerland is the Jungfrauoch (Supplement applies), where you will get a reduction on this excursion to the "Top of Europe" with your Swiss Travel Pass. Overnight stay in Interlaken.

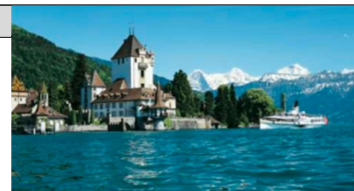

DAY 4 - SCHYNIGE PLATTE

Schynige Platte is known as "Top of Swiss Tradition", where you get to enjoy alphorn concerts daily as well as a unique Botanical alpine garden. The railway from Wilderswil to Schynige Platte was built in 1893 and is a heritage line offering a nostalgic experience of a bygone era and provides stunning views of the Eiger, Mönch and Jungfrau. Overnight stay in Interlaken

DAY 5 - DAY AT LEISURE

With your Swiss Travel Pass we recommend exploring Interlaken's other lake. Join a historic paddle steamer on Lake Thun to the medieval town of Thun. The famous castle is well worth exploring. We recommend booking a guided tour locally or simply enjoy the waterfront and the pedestrian area full of shops. Overnight stay in Interlaken.

DAY 6 - FURKA STEAM RAILWAY

Travel by train to Oberwald, in the canton of Valais to board the historic Furka Steam Railway, which takes you back to the golden age of steam trains in Switzerland. The journey leads from Oberwald through the central alps and over the historic Glacier Express route to Realp. Travel back to Interlaken by train. Overnight stay in Interlaken.

DAY 7 - INTERLAKEN - BRUNIG STEAM RAILWAY (OPTIONAL, ONLY ON LAST SUNDAY OF THE MONTH), OTHERWISE DAY AT LEISURE

One of the most hidden and unique experiences for steam train enthusiasts awaits you today. It starts in Interlaken Ost with a visit of the locomotive depot where you get to witness the steam locomotive firing up before boarding. Travel alongside the turquoise blue Lake Brienz to Meiringen. After a quick stop in Meiringen, the ascent up the the Brunig Mountainpass starts. Experience the steam locomotive powering up the Mountain and enjoy the beautiful scenery. On top of the Mountainpass it's time for another quick stop and refill water for the locomotive, enjoy the shop close by or have a drink in the bar wagon. On the descent down to Giswil you get to see another extraordinary lake, which is Lake Lungern. Giswil is the final stop where you get to enjoy local food in the restaurant close to the station or a sausage fresh from the Grill in front of the Hotel. After the Lunchbreak, enjoy the journey back to Interlaken Ost. Overnight stay in Interlaken

DAY 8 - FROM - DEPARTURE TO AIRPORT/SWISS BORDER

Individual return journey to your ending point in Switzerland.
