## TOURIST ATTRACTIONS:

### DIEXI

- ◆ **Die Xi Lake** - Diexi Lake, located at an altitude of 2258 meters, was originally the city of Diexi, a strategic ancient border town. It bears witness to the aftermath of the 7.5-magnitude earthquake that struck Diexi, China, in 1933, making it one of the 'most intact, typical, and largest seismic remnants' preserved to this day.

### JIUZHAIYOU

- ◆ **Jiuzhaigou Scenic Area** - Jiuzhaigou National Park is a network of valleys in China's Sichuan province. In the northern Shuzheng Valley, Nuorilang Waterfall cascades from the edge of a large tree-fringed lake. The Zharu Monastery is a place of worship for the park's Tibetan villages. In the south, Rize Valley's mountains are covered with ancient forests. Fallen trees are scattered on the bottom of the striking, multicolored Five Flower Lake.

### HUANGLONG

- ◆ **Huanglong Scenic Area** - this area is known for its colorful travertine pools formed by calcite deposits, especially in Huanglonggou (Yellow Dragon Gully), as well as diverse forest ecosystems, snow-capped peaks, waterfalls and hot springs. Huanglong was declared a World Heritage Site by UNESCO in 1992 because of its outstanding travertine formations, waterfalls and limestone formations as well as its travertine terraces and lakes rating among the three most outstanding examples in the world.

### CHONGQING

- ◆ **Hongyadong Scenic Area** - Featuring the distinctive architectural style of traditional "stilted buildings" in the Ba and Yu regions, this area is renowned for its ancient stone structures and nighttime light shows. It blends elements of traditional culture and modern art. This scenic area has a long history and was once an ancient fortress in Chongqing. It also represents the development of modern culture.
- ◆ **Ciqikou Ancient Town** - With a history spanning over a thousand years, this town is famous for its ceramics production and ancient architecture. It is a tourist destination with a rich cultural atmosphere and beautiful scenery, known for its unique "One River, Two Streams, Three Mountains, Four Streets" landscape. Here, you can experience a profound sense of ancient culture and revisit the nostalgia of old Chongqing.
- ◆ **Liziba Light Rail Station Viewing Platform** - This viewing platform is designed to provide tourists with a spacious and comfortable vantage point for the best views, particularly the popular sight of the light rail train passing through a building. Liziba Station is an elevated station, the only one of its kind in Chongqing, situated on the sixth to eighth floors of a 19-story building, with commercial spaces below and residential areas above.

### CHENGDU

- ◆ **Chunxi Road Pedestrian Street** - Revered as a distinctly Chinese commercial street, this is a fashion hub and a gathering place for delicious snacks and cuisine.
- ◆ **Jinli Ancient Street** - The buildings are in the Qing Dynasty style. The theme is Three Kingdoms Culture, a traditional folk custom. There are many bars, inns, snack stores and souvenir shops.
- ◆ **Jiaozhi Avenue Pedestrian Street** - A landmark in Chengdu, the 'Jiaozhi Twin Towers' (218-meter skyscrapers with an enormous LED screen) stand tall. The exterior of the twin towers is adorned with a 52,000-square-meter LED screen, seamlessly integrating light and architecture. Especially captivating at night, the towers put on a dazzling light show, making it a popular spot for photo enthusiasts in Chengdu, showcasing the enchanting blend of technology and beauty in China.
