Remark: There will be no refund or replacement if the tour logistic is affected by the above issue. All pictures are for illustration purpose only.

## TOURIST ATTRACTIONS:

### ASAHIKAWA

- ◆ **Asahikawa Ramen Village** - Brings together 8 popular restaurants of "Asahikawa Ramen", one of the three major ramen in Hokkaido. Although each type of ramen has its own characteristics, the most classic of Asahikawa ramen is the soy sauce ramen, which uses seafood broth added to pork bones.
- ◆ **Otokoyama Sake Brewing Museum** - With a history of 350 years, it is a data center that inherits the brewing culture, one of Japan's traditional industries. Valuable materials, literature, sake, etc. from the Edo period are displayed, and you can also see some sake while preparing it.

### FURANO

- ◆ **Blue Pond** - a lake formed due to the eruption of Tokachidake volcano in 1988 (Showa 63) and the construction of a dam. Because it is downstream of Shirokane Hot Spring, the lake water contains the mineral components of the hot spring, and the pool is illuminated by the sun. Light scatters, and blue light with a shorter wavelength is easier to reach our eyes, so the water in the pool looks cyan, so it is called a blue pool.
- ◆ **Fureai Farm** - There are many cute little animals in the pasture, such as ponies, silly sheep, ostriches, rabbits, etc. You can also feed these cute little animals. You can also taste authentic Hokkaido food here. If you come here on foot or by bicycle, you might as well take a rest here.

### SAPPORO

- ◆ **Shiroyo Koibito Park** - Is a fantastic space based on the ideals of deliciousness, fun and stories of sweets from a bygone era. In addition to housing the Shiroyo Koibito Factory where this well-known Hokkaido Confectionery is produced the park also has a café to allow visitors to try Ishiya's Original sweets, the Cookiescrafft Studio, a toy exhibition room and the Rose Garden, the place visitors see, taste and experience here will make for truly "sweet memories"!
- ◆ **Hokkaido Shrine** - In 1869 the Meiji Emperor decided to enshrine three Shinto Deities: Sukunahikona, Ookunitama and Ookuninushi. They became the three deities of Hokkaido. The building for the shrine was built in 1871 and was called "Sapporo Shrine" The Former Hokkaido Government Building - Is an American-neo-baroque structure constructed in 1888 as a base of the Hokkaido administration, It is the symbol of Hokkaido.
- ◆ **Tanukikoji Shopping Arcade** - Approximately 1KM- long arcade with around 200 shops that provide you a great shopping experience.
- ◆ **Mitsui Outlet Park** - The largest outlet shopping mall in the Tohoku region of Hokkaido. In addition to overseas luxury brands, popular domestic and foreign brands are collected from women's clothing, men's clothing, children's clothing, sports and outdoor, fashion miscellaneous goods, and daily necessities.
