- ☑ Xinjiang International of Grand Bazaar
- ☑ Proceed to Airport After Dinner for Departure

### D11 URUMQI ✈️ DEPARTURE (MOB)

## TOURIST ATTRACTIONS:

### DUNHUANG

- ◆ **Mingshan Mountain and Crescent Moon Spring** - Amazing natural artistic beauty. Echoing-Sand Mountain, stepping on soft and fine sand, climbs to the top of the mountain dozens of meters high, and truly experiences the origin of the name Echoing-Sand, which is amazing. Then visit the wonder of Crescent Lake in the desert, which is surrounded by Echoing-Sand Mountain and named after its shape resembling a bay of crescent moon. Despite being surrounded by vast yellow sand and enduring strong winds for years, the water remains clear as a mirror, making it a rare and unique spring in the desert.

### URUMQI

- ◆ **Xinjiang International Grand Bazaar** - Xinjiang International Grand Bazaar is one of the most iconic landmarks in Urumqi, integrating ethnic culture exhibitions, specialty shopping, dining, and tourism. The architecture features a strong Uyghur Islamic style, with tall towers, arches, and domes, making it highly recognizable.

### KANAS

- ◆ **Kanas Scenic Area** - Kanas literally means "a beautiful and mysterious lake" in Mongolian. Xinjiang Kanas is a China National AAAAA Level Tourist Attraction, a National Geopark, a National Forest Park, a Nature Reserve & a National Natural Heritage property. Kanas Lake is mysterious and charming and rich in animal and plant resources. Make a stop and enjoy the beautiful scenery of Crouching Dragon Bay, Moon Bay and Fairy Bay. You will take a shuttle bus to go to the Fish-viewing Pavilion where you can get a panoramic view of Kanas Lake. .

### FUHAI

- ◆ **Devil City on The Sea** - Sea Devil City is located on the eastern shore of Ulungur Lake in Fuhai County, Altay Prefecture, Xinjiang. Featuring rare Yadan landforms shaped like castles rising from the water, it is especially stunning at sunrise and sunset and popular for photography.

### YINING

- ◆ **Sayram Lake** - "Sayram" in Kazakh means "blessing," and it is also commonly called "Santai Haizi." Sayram Lake resembles a sparkling "blue sapphire" nestled in the Western Tianshan Mountains, surrounded by rich pastures. The lake sits at an altitude of 2,073 meters, is slightly oval in shape, 20 km long from east to west, 30 km wide from north to south, covering an area of 454 square kilometers, and has a maximum depth of 86 meters, making it the highest altitude and largest alpine cold-water lake in Xinjiang.
- ◆ **Nalati Grassland** - Nalati Grassland is one of the world's four major grasslands and an alpine meadow plant zone, historically famous as a pasture. Valleys, peaks, deep gorges, and forests interweave beautifully. Nalati receives an annual rainfall of up to 800 mm, favorable for pasture growth and supporting a high livestock load. Historically, it was known as the "Deer Park." Across the boundless grasslands, pearl-like white yurts are scattered, with snow-capped peaks to the south, creating a stunning contrast of green grass and white snow, forming a captivating landscape.

✓ 9 Breakfast / 9 Lunch / 8 Dinner

#### Special Cuisine:
