TOURIST ATTRACTIONS:

JEOLLABUK-DO

- ◆ **Jeonju Hanok Village** - Is located in the city of Jeonju and overlaps Punnam-dong and Gyo-dong. There are 735 traditional Korean hanok houses. While the rest of city has been industrialized, Hanok Village retains its historical charms and traditions.
- ◆ **Jeondong Catholic Cathedral** - Is made of gray and red bricks and bears a striking resemblance to the Myeongdong Cathedral in Seoul. Not only considered one of the most beautiful Catholic churches in Korea, some even go so far as to say it is one of the most beautiful structures in all of Korea, citing the church's unique combination of Byzantine and Romanesque architectural styles. The rectangular building is topped with three Byzantine bell towers (to the right, center, and left) and boasts arched ceilings, several of which meet in the form of a cross.
- ◆ **Jeonju Korean Traditional Wine Museum** - offers visitors the unique chance to explore the world of traditional Korean liquor and engage in related hands-on experience programs. At the museum, visitors can see the tools and machines used in the making of alcohol and get a closer look at the different types of traditional wine in Korea. Some of the most interesting displays at the museum are the alcohol preparation room and the fermentation room.
- ◆ **Mt. Maisan Provincial Park** - is located in Jinan-gun, Jeollabuk-do. During the Silla Kingdom, it was called Seodasan, during the Goryeo Dynasty, Yongchulsan, and finally named Maisan during the Joseon Dynasty. Maisan is referred to by different names depending on the season. In the spring, it is called Dotdaebong, in the summer, Yongsakbong, in the fall, Maibong, and in the winter, Mulpilbong.
- ◆ **Red Ginseng Foot Bath** - Enjoy a warm and soothing red ginseng foot bath while sipping hot tea, relaxing your body and mind, and experiencing a moment of wellness and leisure.

GYEONGGI-DO

- ◆ **Aquafield Jjimjilbang** - Offers a variety of unique facilities, including a wide selection of saunas with different temperatures and themes, all modern and clean, providing guests with a unique relaxation experience. The multimedia art sauna features blue-toned booths and a panoramic video wall projecting starlight and the aurora borealis, making guests feel as if they are lying on a grassland gazing at the stars.

GANGWON-DO

- ◆ **Alpaca World** - is the first experiential zoo to be founded in Gangwon-do. Visitors can interact and feed cute alpacas surrounded by the pristine beauty of nature. Alpaca World has made appearances in many television shows, featuring "the genius alpaca" and the first alpaca to be born in Korea. The attraction offers many hands-on programs and amenities for the convenience of diverse visitors, ranging from families and couples to school field trips.

SEOUL

- ◆ **Coex Mall Starfield Library** - The most beautiful library. Offers visitors a perfect reading space. The two-story library has 13-meter-tall bookshelves and soft lights to ease the eyes as well as various types of tables with electric plugs for those with laptops. With more than 50,000 books ranging from literature to hobbies as well as over 400 types of magazines, visitors are welcome to find pleasure in reading and relax.
- ◆ **Euljiro Nogari Alley Beer Street** - Experience the famous combination of beer + dried pollack, special arrangements plus the must-have fried chicken as Korean dramas.
