TOURIST ATTRACTIONS:

KAOHSIUNG

- ◆ **KW2 (Kaohsiung Port Warehouse No 2)** - Utilizing the simple spatial elements of the warehouse, created a waterfront living space dedicated to the creation, dining and exhibition of Kaohsiung Port. A new experience in Kaohsiung Harborside Life, combining the leisure tourism, cultural creation exhibition, dining and dining, and the beautiful port of Kaohsiung.
- ◆ **Taroko Suzuka Circuit Park (Own Expense)** - A complex shopping mall that combines shopping, sports, parenting, dining, cultural creation, leisure and vacation. The most eye-catching focus: Suzuki Circuit Park is the only overseas-licensed paradise for the Japanese Suzuka Circuit. It allows people to experience the driving pleasure of self-control. It introduces a variety of recreational rides and can experience the racing of kart driving at its own expense.
- ◆ **Great Harbour Bridge** - The first horizontal revolving landscape bridge in Taiwan, and the longest cross-port revolving bridge in Asia, can be completed horizontally in three minutes, and the bridge can be used for people and bicycles.
- ◆ **QiJin Old Street** - Is the liveliest area on the island and a must-visit destination for tourists. Here, visitors can enjoy freshly caught seafood as well as a wide variety of authentic local snacks, such as Kaohsiung-style grilled fish cakes, charcoal-grilled squid, savory rice vermicelli soup, Peng Sao's sweet potato pastry, and traditional sliced tomatoes with special seasoning. These are all must-try delicacies when visiting Qijin Old Street.

TAINAN

- ◆ **Tainan Haibin Club Car** - Explore the Beimen area with a guided tour, learning about the stories of this land through the guide's commentary. Along the way, take in the scenic views of the Beimen salt fields and enjoy a relaxing and leisurely travel experience.
- ◆ **Arwin Therapy Garden** - The most talked-about highlight is its thousand-ping French-style rose garden. During the trial opening on February 6, it attracted a large number of visitors, especially as it coincided with the winter school holidays and the period just before the Lunar New Year. Many people came specifically to admire this expansive French-style rose garden.

CHIAYI

- ◆ **Alishan National Scenic Area** - Alishan has a very rich forest resources, of which the primeval forest of eucalyptus is the most precious. Affected by the height, the distribution of Alishan plants is tropical, warm, temperate and cold. Attractions such as Sisters are certainly not to be missed. You can also take a small train to watch the Alishan Sunrise and Zhushan Guanri is the best day view.
- ◆ **Wumile Jingliao Old Street** - Filming location of The Making of an Ordinary Woman! Every visit to Jingliao feels as if time has stood still. The old street has not been overly commercialized, and many shops still retain their original appearance. Even the century-old houses remain much as they were in the past. I absolutely love the simplicity and authenticity of this charming place.
