TOURIST ATTRACTIONS:

BEIJING

- ◆ **Forbidden City** - The largest and best preserved collection of ancient buildings in China. The complex is divided into two sections - Inner Court - the living quarters and Outer Court - the working area.
- ◆ **Temple of Heaven** - Is a place where the Ming & Qing Dynasty went to worship Heaven and pray for good harvest.
- ◆ **Gubei Water Town** - Is backed by the most beautiful and dangerous Simatai Great Wall in China and sits on the Yuanyang Lake Reservoir. It is a rare natural ancient village combining landscape and city in the suburbs of Beijing. The scenic area is open to the public, including the Republic of China block, the old camp, the water street style area, the Riyue Island folk culture area, the Tanghe Ancient Village area, and the homestay dining area. It is a typical northern tourist resort town.

JIXIAN

- ◆ **Huang Yaguan the Great Wall** - Is located in the rugged mountains 30 kilometers north of Jizhou District, Tianjin. The entire section of the Great Wall is built on a ridge at an altitude of 736 meters, with a total length of 42 kilometers. It is part of the ancient Great Wall of China and has 66 towers, including 52 enemy towers and 14 beacon towers. It is a strategically important military location in Jingdong.

TANGSHAN

- ◆ **Qixin 1889 Cultural Industry Park** - Qixin 1889 was transformed from the century old Qixin Cement Plant, featuring both hardcore mechanical aesthetics and immersive nostalgic experiences. Every snap is a vintage industrial blockbuster!
- ◆ **Tangshan Banquet Food Culture Museum** - A foodie museum with a small mountain-style street, nostalgic workshop street, and specialty food street. In addition, there are two folk museums inside, namely the Nang Museum and the Chestnut Museum. Here, taste delicious food while learning about the local history and culture.
- ◆ **Hetou Old Street** - A cultural and tourism district with profound historical heritage and unique cultural charm. The block has a length of about 1000 meters and a total area of about 2 square kilometers, constructing a functional pattern of "one river, one lake, two streets, and three islands." The main attractions include a water dance show theater, a Ferris wheel, and six major themed cultural squares.
