TOURIST ATTRACTIONS:

GANGWON-DO

- ◆ **High1 Ski Resort** - equipped with lifts and ski slopes for beginners as well as intermediate and advanced skiers, providing an enjoyable environment for the whole family. It is also designed to be the most environmental-friendly ski resort in the nation. Preserving the mountain while making the slopes, in spring various wild edible greens are seen and in summer many wild flowers bloom, making the resort an eco-travel attraction all year round. The revolving restaurant at the mountain top, 1,340 meters above sea level, provides an amazing view of the surrounding area with one full rotation every hour.
- ◆ **Arii Hills Byeongbangchi Skywalk** - located between Gyuram-ri and Buksil-ri in Jeongseon-eup and features breathtaking views of the nearby Bamseom, which is shaped like the Korean peninsula by the flowing Donggang River. Byeongbangchi Skywalk offers a thrilling experience as it gives the feeling of walking in the sky thanks to the tempered glass floor of this 11-meter U-shaped structure projecting from the cliff at an altitude of 583 meters.
- ◆ **Chuncheon Myeongdong Street** - named after Seoul's Myeongdong and has become the main thoroughfare in Chuncheon. It links to Yukrimgogae that serves as a vibrant hub for youths, hosting a variety of shops and shopping malls that draw crowds. Additionally, this street is home to theatres, cafés, government buildings, major banks and an underground shopping center.
- ◆ **Nami Island** - one of South Korea's representative theme attractions. The concept of this attraction is "a unique imaginary republic in the world that presents beautiful fairy tales and songs to tourists from all over the world" and uses the brand "Nami Republic". Nami Island has beautiful scenery throughout the four seasons, such as the gorgeous cherry blossom path in spring, the cool metasequoia walking path in summer, the gorgeous maple leaves in autumn, and the dazzling snow scenery in winter.
- ◆ **Eobi Ice Valley** - originating from Eobisan Mountain and it is named 'Eobi' (flying fish) as the visitors can often witness fish leaping from the valley's crystal-clear waters. The constructed walkway, meandering alongside fountains and through valleys, provide a stunning scenic view. In winter, the valley will transform as a 25-meter natural ice wall forms around the palgakjeong pavilion, offering a breathtaking spectacle of nature.

- ◆ **The Painters HERO Show** - HERO is an art performance that subverts everyone's imagination. The entire process of painting on stages combined with incredible visual effects and a witty blend of mime, dance and comedy. Audiences enjoy a play, an art show, and a musical performance through an 80-minute, excitement-filled show.
- ◆ **Namsangol Hanok Village** - this village has five restored hanok (traditional Korean house) premises, a pavilion, a traditional garden, a performance art stage, and a time capsule plaza, making it a perfect spot for locals and tourists to take a leisure walk. Upon entering from the front gate, visitors will get a taste of Korea's traditional life while escaping from bustling city life.
