TOURIST ATTRACTIONS:

TAOYUAN

- ◆ **Taoyuan Night Market** - A well-known local night market in Taoyuan with numerous stalls. It holds nostalgic memories for many Taoyuan residents. Classic eats include the renowned Zhengkang beef tongue pastry, must-try sweet potato balls, crispy pork ribs, and the distinctive fried shrimp cakes from Tou Dun.

PENGHU

- ◆ **Tongliang Great Banyan** - Located next to the Penghu Great Bridge, this Old Ficus Benjamina stands in front of Bao'an Temple in Tongliang Village, Baisha Township. Over 300 years old, the tree features nearly a hundred aerial roots that form an expansive, intricate canopy, creating a grand and impressive sight for first-time visitors.
- ◆ **Daguoeye Columnar Basalt** - The entire mountain face is covered in this unique columnar basalt formation. After heavy rain, the basalt reflects on the water surface in the surrounding depressions, creating a remarkable and stunning natural landscape. It is one of the special natural attractions in Xiyu Township.
- ◆ **Twin-Hearts Stone Weir** - With a history of over 700 years, this fishing stone wall, built in the intertidal zone using basalt and coral reefs, also serves as a type of sea trap. The unique landscape of the leisure fishery has also contributed to the timeless romantic legends of this beautiful island. The Double Heart Stone Weir in Penghu is the most well-preserved and beautiful stone weir in the region.
- ◆ **Nanliao Ancient House** - These traditional houses are built using coral limestone instead of bricks. Known for being warm in winter and cool in summer, they are both beautiful and sturdy examples of Penghu's vernacular architecture.
- ◆ **Xiaochijiao Double Curved Bridge** - Extending out into the sea from Xiaochijiao, this pure white bridge features elegant curves and green pavilions on both sides, making it a scenic coastal spot.

KEELUNG

- ◆ **Zhengbin Port Color Houses** - A beautiful spot in Keelung, often referred to as Taiwan's version of Venice. The government renovated old three- to four-story buildings by the 85-year-old Zhengbin Old Fishing Harbor, painting them in vibrant colors. The row of charming, colorful houses, paired with the blue-and-white fishing boats docked in front, creates a picturesque scene reminiscent of Venice. It has become a popular Instagram photo spot.

TAIPEI

- ◆ **Shen'ao Rail Bike Experience** - From the elevated platform, enjoy views of the Pacific Ocean and the seamless horizon. The platform also spans Keelung City and New Taipei City, making it the only station in Taiwan that crosses two counties and cities.
- ◆ **Ximending Shopping District** - A hub for young people's favorite activities, including movies, trendy clothing, accessories, popular brands, imported goods, tattoos, international cuisine, and idol singer signing events. Ximending has become a vibrant new playground for the youth.
- ◆ **Shilin Official Residence Gardens** - The garden is divided into the Outer Garden, Inner Garden, Main House, Orchid Greenhouse, Rose Garden, Kaige Hall, New Orchid Pavilion, and Ciyun Pavilion. The Inner Garden features a traditional Chinese style with winding bridges, flowing water, rockeries, and a red Chinese-style pavilion. The Outer Garden is a Western-style garden with flowerbeds and a wide variety of blooming flowers, creating a stunning visual effect.
- ◆ **Jiufen Old Street** - The liveliest street in Jiufen, crowded with street vendors and food stalls. The narrow alleys are lined with shops, offering an array of hot and aromatic snacks, including Jiufen taro balls, grass cake, taro cake, fish balls, fish soup, chicken rolls, and more.
