- ☑ Hongya Cave Scenic Area
- ☑ Jiefangbei Pedestrian Street
- ☑ Bayi Food Street

### D7 ARRIVE KUALA LUMPUR (MOB)

## TOURIST ATTRACTIONS:

### CHONG QING

- ◆ **Ciqi Kou Ancient Town** - Built in the Ming Dynasty, Ciqi Kou Ancient Town has a history of more than 600 years, and is an attraction with rich historical and cultural heritage. Ciqi Kou Ancient Town built on the mountain, the landscape is dangerous, so the narrow alleys and twisting roads become its characteristic. The buildings in the ancient town are simple and elegant, retaining the architectural style of the Ming and Qing Dynasties. Walking along the town's streets feels like journeying through a tunnel of time, experiencing the history and the passage of years.
- ◆ **Liziba Light Rail Station Viewing Platform** - Liziba Light Rail Station of Chongqing is the first cross-rail station in China that co-exists with a commercial and residential building. The station is located on the 8th floor of a commercial and residential building, which has become a "popular attraction" because of the light rail passing through the building. From the observation deck, visitors can get a close-up view of the train speeding past the building's elevated tracks.
- ◆ **HongYa Cave Scenic Area** - Featuring the iconic 'stilted' architecture of the Ba-Yu tradition, this area is renowned for its ancient stone buildings and nighttime light shows, blending elements of traditional culture with modern art. This scenic area has a rich history as a fortress in ancient Chongqing and represents the development of modern culture.
- ◆ **Jiefangbei Pedestrian Street** - Jiefangbei Pedestrian Street is located in Yuzhong District of Chongqing, centering on Jiefangbei. Its is one of the famous commercial streets and city's fashion landmarks in the center of the city. The area around Jiefangbei Pedestrian Street includes Minquan Road, Zourong Road, Bayi Road and Wuyi Road, forming a commercial circle. The pedestrian street is filled with a variety of stores and boutiques, covering a wide range of categories, including fashion, accessories, handicrafts, food, snacks, and etc.
- ◆ **Thousand Buddha Temple** - The Thousand Buddha Temple was not originally called "Thousand Buddha Temple". Over the past 400 years, the name of the temple has been changed three times. The original name was "Dacheng Temple". There was a flower pot in the temple with these three words engraved on it. During the reign of Emperor Xianfeng of the Qing Dynasty, the temple was renamed "Xinglong Temple". It was not until the end of the Qing Dynasty that it was named "Thousand Buddha Temple". The origin of the name of the Thousand Buddha Temple is really because of the 1,000 Buddha statues in the temple.

### DAZU

- ◆ **Dazu Rock Carvings Scenic Area** - Located in Chongqing, this site is one of the Eight Great Grottoes of the World and is renowned for its exquisite Buddhist rock carvings. The two most iconic parts of the scenic area are the Baoding Mountain Carvings and the Beishan Carvings. The Baoding Mountain carvings include 13 groups of sculptures such as Dafowan and Xiaofowan, with nearly ten thousand cliffside Buddha statues in total. These carvings represent the pinnacle of Buddhist sculpture art from the late Tang to Song dynasties, characterized by their grandeur and awe-inspiring presence. The Beishan Carvings, arranged in a crescent-shaped layout, feature densely distributed grottoes with finely crafted sculptures that are vivid in expression, showcasing the superb craftsmanship of ancient artisans and the richness of religious culture. Whether you're an art enthusiast or a cultural traveler, this is a historical treasure not to be missed.

### Remarks:

1. The duration and visiting sequence of all scenic spots in Scenic Area shall ultimately be subject to the announcement of the scenic area. If the scenic spots are deleted or stopped due to weather conditions, the announcement of the scenic spots shall prevail without any compensation or refund.
