- ✓ Saga Onsen - Hotel Kasuien or Ureshino Hotel or similar class x1 Night
- ✓ Fukuoka - Hotel WBF Grande Hakata or Henn na Hotel Fukuoka Hakata or Comfort Hotel Hakata or similar class x1 Night

TOURIST ATTRACTIONS:

BEPPU

- ◆ **Beppu Umi Jigoku** - A famous cobalt-blue hot spring in Beppu with water around 98°C, where steam and eruptions create a dramatic “hell-like” landscape, contrasting the cool blue surface with intense geothermal heat.
- ◆ **Kokonoe Yume Otsuribashi Bridge** - Traversing the Kokonoe Yume Grand Suspension Bridge in western Oita Prefecture is like walking across the sky. Japan's longest and loftiest pedestrian bridge, it presents panoramic scenes of Oita's verdant countryside, including two waterfalls, the Naruko River and the valley 173 meters below.
- ◆ **Lake Kinrin** - A scenic lake formed by the convergence of hot springs, where mist rises gently even in winter due to the warm water. It is the main source of the morning fog in the basin and one of the most iconic attractions in Yufuin.

KAGOSHIMA

- ◆ **Arimura Lava Observatory Deck** - The observatory is located along a 1-km trail on a small hill in the lava field created by the great 1946 eruption. From here there is a clear view of impressive Sakurajima, the world famous active volcano, and Kinko Bay. Being close to the crater, you may hear roaring volcanic sounds.
- ◆ **Chiran Samurai Residence** - Chiran was once an important settlement of the Satsuma Domain, often called the “Little Kyoto of Satsuma.” At its peak, more than 500 samurai families lived here. Today, seven samurai residences and gardens remain—one featuring a pond and artificial hill, while the other six showcase elegant dry landscape gardens, reflecting the refined beauty of Japanese garden design.

YANAGAWA

- ◆ **Yanagawa River Boat Ride** - Discover the beauty of Yanagawa with a scenic river cruise. Explore charming canals, historic sights, and peaceful nature on this relaxing boat tour through Kyushu's Venice. These sightseeing boats are called “donkobune” in Japanese. The boatmen use bamboo poles to propel the long, narrow boats through the canals, while explaining the town's great history and reciting poems written by local poet Hakushu Kitahara.

SAGA

- ◆ **Yūtoku Inari Shrine** - It is considered one of Japan's top three shrines dedicated to Inari alongside Fushimi Inari Shrine in Kyoto and Yoyokawa Inari Shrine in Aichi Prefecture. One of Shinto's most popular deities, Inari is associated with rice, prosperity and foxes.
- ◆ **Mifuneyama Rakuen** - Is a sprawling Japanese garden paradise that covers over 500,000 square meters. Creation began in 1842 and finished in 1845 by Lord Nabeshima Shigeyoshi. Today, it is a Registered Japanese Monument. Mifuneyama Mountain behind the garden creates a stunning backdrop for the cultivated gardens.

FUKUOKA

- ◆ **Dazaifu Tenmangu Shrine** - Is dedicated to Sugawara Michizane who is known as the god of learning, it is busy all through the year with a lot of visitors praying for success in exams and academic achievement. 6000 plum trees are planted on the site.
- ◆ **Uminonakamichi Seaside Park** - Is a leisure destination where visitors can enjoy a wide variety of seasonal flowers throughout the year. No matter when you visit, you can experience the park's unique seaside charm and natural beauty.

ASO

- ◆ **Mt. Aso Nakadake Crater** - Located in central Kyushu, it is the centerpiece of Aso National Park spanning Kumamoto and Oita, and is one of the world's largest active calderas.
- ◆ **Kusasenri** - A scenic grassland at Mount Aso featuring wide green plains, grazing horses, and views of the active volcano crater.
