TOURIST ATTRACTIONS:

KUNMING

- ◆ **Zhuanxin Agricultural Market** - Kunming's most popular "Instagram-worthy" local market. In the morning light, piles of fresh vegetables and fruits form small hills, while the vendors are hidden artists. Cucumbers are stacked like jade towers, and bell peppers are arranged like a painter's palette—life can be on discount, but romance comes with no extra charge.
- ◆ **Fruit Picking:** Thanks to Kunming's excellent vertical climate, fresh fruits can be picked all year round.
Noted: Seasonal fruit picking of freshly harvested produce. Typical seasonal availability (for reference only, subject to weather conditions and actual harvest): Jan – Mar: strawberries, Apr: cherries or mulberries, May – Jul: blueberries, Aug – Oct: plums and pitaya (dragon fruit), Nov – Dec: figs and passion fruit The above fruit seasons are for reference only; actual varieties depend on local climate and annual conditions.

JIANSUI

- ◆ **Jiانشui Ancient Town** - Here you can visit the ancient houses with the architectural style of the Ming Dynasty. You can also enjoy the woodblock paintings with strong folk customs and the production of folk paper-cut.
