ANNECY

- **Palais de l'Isle** – Is one of the most recognizable landmarks in Annecy. It is listed as a historic monument and described as “house in the shape of a ship”. Palais de l'Isle is located in the heart of Annecy old town and is built on a rocky island in Thiou River.

CHAMONIX

- **Ride Aiguille Du Midi Cable Car to view Mont Blanc** – Getting a breathtaking view of Mont Blanc by taking the Aiguille du Midi cable car from Chamonix's center to the mountain's top slopes at a height of 3,842 meters. It is France's highest cable car. It's an opportunity to explore the high mountains in perfect safety. Enjoy distinctive sights like the Espace Vertical, the tallest climbing museum ever constructed, at the summit of the Aiguille du Midi. Or the Espace Mont-Blanc, which is well-protected by huge picture windows and offers views of the surrounding mountains. Above all, don't miss "Step Into the Void" with its glass box at 3842m, the tallest attraction in Europe. 1000m of emptiness beneath your feet, guaranteed thrills!

LEUKERBAD

- **Hot Spring Experience at Thermal Hotel** – Is the largest thermal bath in the Alpine region. Enjoy a hot spring experience which is one of the most iconic wellness activities in Switzerland, combining natural thermal waters with scenic mountain scenery.

MATTERHORN

- **Zermatt** – A car-free village and in the middle of an enormous hiking and ski region makes it one of the world's most attractive vacation villages. The ski region encompasses 54 mountain railways and lifts as well as 360 kilometers of pistes.
- **Matterhorn** – At 4,478 metres the majestic Matterhorn, a symbol of Switzerland. The pyramid shaped colossus of a mountain, which is very difficult to climb, is said to be the most-photographed mountain in the world.
- **Gornergrat** – Gornergrat at an altitude of 3,089 m. Gornergrat Bahn (GGB) Railway, the world's first fully electrified cog railway. Today it is a modern, eco-friendly railway. The ride reveals especially attractive views of the mountains around Zermatt, including the Matterhorn. The views from the observation platform on the Gornergrat: 29 peaks above 4,000 m, including the Monte Rosa, Matterhorn and Weisshorn as well as the Gorner Glacier, the second-largest in Europe, and many other summits capped in ice and snow.
- **Rotenboden** – Take 10 minutes walks to Riffelsee Lake from Rotenboden station, is a great subject for photos, especially on windless days in the early morning or at dusk. The smooth surface of the water will perfectly reflect the Matterhorn.

BRIG

- **Glacier Express** – Is a named train in Switzerland, running as a Panorama Express. It has been called as the slowest express train in the world, as it is less on speed with an average speed of 42km/h but more on soaking in breathtaking mountain landscapes. During the journey, the train travels through the heart of the Swiss Alps, offering constantly changing scenery – from deep valleys to snow-covered peaks from the panoramic windows.

CHUR

- **Bernina Express** – Is a famous scenic train in Switzerland, running as a Panorama Express. Bernina Express is operated by the Rhaetian Railway company, connects from Chur – the oldest town in Switzerland to Tirano in Italy. The train route offers breathtaking views of mountains, glaciers, and picturesque villages. Bernina Express rolls over the 65-metre-high Landwasser Viaduct, the signature structure of the Rhaetian Railway and the UNESCO World Heritage site. Altogether the train passes through 55 tunnels and over 196 bridges on its way from Chur to Tirano.

VERONA

- **Romeo and Juliet Balcony** – In Verona, it features the balcony and in the small courtyard, a bronze statue of Juliet. The metal of its chest is worn bare due to a legend that if a person strokes the right breast of the statue, that person will have good fortune and luck in love.

VENICE

- **Noventa di Piave Designer Outlet** – A good outlet with both high end, brands and high street brands, so it's affordable for all wallets.
- **Bridge of Sighs** – Is a bridge located in Venice, northern Italy. The enclosed bridge is made of white limestone and has windows with stone bars. It passes over the Rio di Palazzo and connects the New Prison to the Interrogation rooms in the Doge's Palace.
- **Murano Glass Blowing** – Is glass made on the Venetian island of Murano, which has specialized in fancy glass wares for centuries.
- **The Grand Canal** – Is a canal in Venice, Italy. It forms one of the major water-traffic corridors in the city. Public transport is provided by water buses and private water taxis.
- **Rialto Bridge** – Is one of the four bridges spanning the Grand Canal in Venice, Italy. It is the oldest bridge across the canal, and was the dividing line for the districts of San Marco and San Polo.
