## TOURIST ATTRACTIONS:

### CHONGQING

- ◆ **Ciqi Kou Ancient Town** - Built in the Ming Dynasty, Ciqi Kou Ancient Town has a history of more than 600 years, and is an attraction with rich historical and cultural heritage. Ciqi Kou Ancient Town built on the mountain, the landscape is dangerous, so the narrow alleys and twisting roads become its characteristic. The buildings in the ancient town are simple and elegant, retaining the architectural style of the Ming and Qing Dynasties. Walking along the town's streets feels like journeying through a tunnel of time, experiencing the history and the passage of years.
- ◆ **Liziba Light Rail Station Viewing Platform** - Liziba Light Rail Station of Chongqing is the first cross-rail station in China that co-exists with a commercial and residential building. The station is located on the 8th floor of a commercial and residential building, which has become a "popular attraction" because of the light rail passing through the building. From the observation deck, visitors can get a close-up view of the train speeding past the building's elevated tracks.
- ◆ **HongYa Cave Scenic Area** - Featuring the iconic 'stilted' architecture of the Ba-Yu tradition, this area is renowned for its ancient stone buildings and nighttime light shows, blending elements of traditional culture with modern art. This scenic area has a rich history as a fortress in ancient Chongqing and represents the development of modern culture.
- ◆ **Jiefangbei Pedestrian Street** - Jiefangbei Pedestrian Street is located in Yuzhong District of Chongqing, centering on Jiefangbei. It is one of the famous commercial streets and city's fashion landmarks in the center of the city. The area around Jiefangbei Pedestrian Street includes Minquan Road, Zourong Road, Bayi Road and Wuyi Road, forming a commercial circle. The pedestrian street is filled with a variety of stores and boutiques, covering a wide range of categories, including fashion, accessories, handicrafts, food, snacks, and etc.

### NANCHUAN

- ◆ **Jinfo Mountain** - A World Natural Heritage Site and a National 5A-rated Tourist Attraction. During clear summer and autumn evenings, the setting sun casts a golden glow over the layers of cliffs, making the mountain appear like countless golden Buddhas radiating brilliant rays of light. This spectacular and beautiful scenery is the reason behind the name "Jinfo Mountain" (Golden Buddha Mountain). Jinfo Mountain is breathtaking in every season: enjoy rhododendron blossoms in spring, cool summer retreats, colorful autumn foliage, and stunning snow scenery in winter.

### WULONG

- ◆ **Fairy Mountain National Forest Park** - Located in Wulong District, Chongqing, Fairy Mountain National Forest Park is a National 5A-rated Tourist Attraction and an important part of the Wulong Karst, a UNESCO World Natural Heritage Site. The park is famous for its 100,000 mu (approximately 6,667 hectares) of alpine grasslands, vast forests, and enchanting winter snow scenery. Known as the "Oriental Switzerland" and the "No.1 Pastureland in Southern China," Fairy Mountain offers breathtaking landscapes throughout the year.
