TOURIST ATTRACTIONS:

JEJU ISLAND

- ◆ **Dodu-dong Coastal Rainbow Road** - A unique road located 10 minutes away by car from the airport. Locals had been voicing their opinions on adding colors to the protective walls installed along the coastal road in order to prevent cars from veering off the road and as a result, the walls came to wear rainbow colors. It is fun to check out the various sculptures in the area including that of a haenyeo (female divers).
- ◆ **Yongduam Rock** - Is a volcanic rock that was created from an eruption about two million years ago.
- ◆ **Seongsan Sunrise Peak** - The huge rock towering at the eastern end of Jeju Island is one of the 360 sub-volcanoes of Hallasan Mountain. It is also the world's largest volcanic crater protruding from the coast.
- ◆ **Osulloc Tea Museum** - Opened by Amore Pacific in 2001 with the aim of introducing and spreading Korean teas and the traditional tea culture of Korea. The museum is a cultural space where the West and the East, and modernity and tradition coexist in harmony. The museum has a tea gallery, eco-friendly rest area, and a cafe where visitors can enjoy a variety of tasty tea-based desserts.

GYEONGGI-DO

- ◆ **DIY Gochujang Making Experience** - Korean traditional cuisine is inseparable from kimchi and traditional rice wine, of course, there are also spicy rice cakes, bibimbap, barbecue and other foods that are popular among foreigners. These are all inseparable from Korean hot sauce. Experience making gochujang by yourself and take three small jars home. It is fun and simple.

GANGWON-DO

- ◆ **Ice Fishing Experience** - You'll fish standing on the frozen river and put bait under the frozen river through a hole (can see many mountain trouts), that was the absolutely unique ice-fishing experience only can do in winter in Korea.
- ◆ **Ski Fun** - Enjoy Ski Fun at Ski resort (Excluded Ski equipment & Suits).

SEOUL

- ◆ **Gyeongbok Palace** - Built in 1395, Gyeongbokgung Palace is also commonly referred to as the "Northern Palace" because it is the furthest north when compared to the neighbouring palaces, Gyeongbokgung Palace is arguably the most beautiful and remains the grandest of all five palaces.
- ◆ **Namsangol Hanok Village** - This village has five restored hanok (Traditional Korean house) premises, a pavilion, a traditional garden, a performance art stage, and a time capsule plaza, making it a perfect spot for locals and tourists to take a leisure walk. Upon entering from the front gate, visitors will get a taste of Korea's traditional life while escaping from bustling city life. The traditional garden with its pavilion and old houses creates a peaceful ambience before the forested Namsan Mountain.
- ◆ **Lotte World Theme Park** - Is a major recreation complex in Seoul, South Korea. It consists of a large indoor theme park, an outdoor amusement park called "Magic Island", an artificial island on a lake linked by monorail, shopping malls, a luxury hotel, an observation tower, a Korean folk museum, sports facilities, and movie theaters.
