D9 ARRIVAL (MOB)

TOURIST ATTRACTIONS:

KUNMING

- ◆ **Golden Horse & Jade Rooster Archway** - Has a history of nearly four hundred years. 12 meters high and 18 meters wide, with exquisitely carved beams and painted rafters, it is a symbol of Kunming.
- ◆ **Kuming Qianwang Street** - The best representation of Kunming's local life. Here you can find a dazzling array of flowers, birds, fish, insects, antiques, jewelry, and handicrafts. Looking up, you see Kunming's old buildings; around you, authentic Kunming dialect echoes, interspersed with the crisp chirping of birds.

DALI

- ◆ **Dali Ancient City** - Also called Yucheng, located at the foot of the picturesque Cangshan Mountains. Dali Ancient Town was first built in the 15th year of the Hongwu reign in the Ming Dynasty (1382) and is one of China's first historical and cultural cities. Along the streets are shops selling Dali stone products, tie-dye, straw weaving, and other local specialties, as well as Bai ethnic cuisine restaurants. You can also enjoy a drink on Foreigner Street.
- ◆ **Xingsheng Bridge** - Gothic architectural style, a landmark of Dali, filming location of the TV series "Si Teng," representing European-style romance hidden within the city.

LIJIANG

- ◆ **Lijiang Old town** - A World Cultural Heritage site with over 800 years of history, first built in the late Southern Song Dynasty. Streets are freely distributed rather than rigidly aligned; main streets run by water, alleys along canals, with over 300 ancient stone bridges harmonizing with rivers, greenery, old alleys, and houses, reflecting the aesthetic charm of a plateau water town with ancient trees, small bridges, and flowing water.
- ◆ **Jade Dragon Snow Mountain** - 4,506 meters above sea level, 2,914 meters long with a vertical rise of 1,150 meters, one of China's highest tourist cableways, and the southernmost permanently snow-capped mountain range in the Northern Hemisphere.
- ◆ **Blue Moon Valley Scenic Area** - A river flowing from the snow mountain, whose water comes from melted snow filtered through layers before emerging as spring water, eventually forming the Baishui River. Baishui River flows into Blue Moon Valley, known as "Little Jiuzhaigou," presenting the world with the richest colors and clearest pools.

SHANGRI-LA

- ◆ **Dukezong Ancient Town** - Also called "Moonlight Ancient Town," meaning "White Stone Town" in Tibetan. Here you can also visit the world's largest prayer wheel, recognized by Guinness World Records.
- ◆ **Tiger Leaping Gorge** - One of the world's most famous deep gorges, located on the upper reaches of the Jinsha River, with Jade Dragon Snow Mountain and Haba Snow Mountain on each side. At its narrowest, the gorge is less than 30 meters wide; legend says a tiger once leapt over a massive rock in the river, hence the name. Tiger Leaping Gorge is renowned for its steep terrain, rushing river, and majestic snow-capped mountains, making it a national-level tourist attraction combining natural wonders, hiking adventures, and ethnic culture.
