TOURIST ATTRACTIONS:

BUSAN

- ◆ **Yongdusan Park** - is considered a favorite resting place among the citizens of Busan. It is called Yongdusan because the shape of the mountain looks like the head of a dragon that climbs to land from sea. Yongdusan park has an area of about 69,000 m.
- ◆ **Jagalchi Market** - Korea's largest fish market since 1889 is a must-go destination for all seafood lovers out there! The market offers every type of fish and seafood you can imagine and serves it in a very unique way. You can also eat all the sashimi you wish for a very reasonable price!
- ◆ **Gamcheon Culture Village** - "Korea's Santorini." "Korea's Machu Picchu." "Lego Village." These are the many nicknames the Busan neighborhood of Gamcheon 2-dong Village has earned over the years.
- ◆ **Oryukdo Skywalk** - was built on Seungdumal, a border between the East and South Sea. The Korean name translates to "walking in the sky," or so it's meant to feel like. This horse shoe-shaped bridge is set up against a 35m coastal cliff. With the entire bridge made of glass, you can watch the waves hit against the cliffs from under you.

JEJU ISLAND

- ◆ **Yongdum Rock** - Is a volcanic rock that was created from an eruption about two million years ago.
- ◆ **Seongsan Sunrise Peak** - Where you can enjoy the spectacular natural surroundings.
- ◆ **Seopjikoji** - is located at the end of the eastern shore of Jeju, the popular Korean <All In> drama shooting site.
- ◆ **Seongeup Folk Village** - a folk and history museum with miniature display of traditional villages.
- ◆ **IVAR GARDEN (Media Art Exhibition Hall)** - A new immersive media art (artwork displayed through media technologies such as photos, videos, and touch screens) exhibition hall in Aewol-eup, western Jeju. You can touch the huge-scale media art works with your hands and feel the combination of digital technology and art. There are 8 themed exhibition halls, including the "Flower Garden", a pink garden composed of hundreds of thousands of lights, the "Ocean Garden" where you can feel as if you are entering the deep sea, and the "Party Garden" filled with cheerful music, which is like a huge photo area. Take you into the intoxicating world of light.

SEOUL

- ◆ **Gyeongbok Palace** - built in 1395, Gyeongbokgung Palace is also commonly referred to as the "Northern Palace" because it is the furthest north when compared to the neighboring palaces. Gyeongbokgung Palace is arguably the most beautiful and remains the grandest of all five palaces.
- ◆ **National Folk Museum** - a National Museum uses replicas of historical objects to illustrate the history of traditional life of the Korean people.
- ◆ **Namsan Park Love of Locks** - thousands of padlocks attached to the fence by romantic Seoulites symbolizing their undying affection.
- ◆ **Everland** - is a huge theme park, which includes a zoo, snow sledding, and botanical garden. Everland has three distinct themes, Festival World, Caribbean Bay, and Speedway. Festival World has a global fair, American Adventure, Magic Land, European Adventure, and Equatorial Adventure.
