TOURIST ATTRACTIONS:

GUANGZHOU

- **Canton Tower -** Also known as the "Little Waist", Canton Tower is located in Haizhu District, Guangzhou, near Chigang Pagoda. Standing at 600 metres high, it is one of Guangzhou's most iconic landmarks. The tower serves as a multifunctional landmark featuring sightseeing, broadcasting and television transmission, cultural entertainment, and city tourism.
- **Guangzhou Light Rail -** Known as "Guangzhou's Most Beautiful 7 Kilometres," this tram glides along the Pearl River, offering front-row seats to see the Canton Tower ("Slim Waist"), Liede Bridge, and the city's futuristic skyline.

PANYU

- **Shawan Ancient Town -** Is situated in the center of Panyu District in the south of Guangzhou. Originally built in the Southern Song Dynasty (1127 - 1279), it has a history of over 800 years. Characterized by the architectural style of south China, the history and culture of the Ming and Qing Dynasties (1368-1911) and the Republic of China (1912-1949), Shawan Ancient Town is a typical southern town surrounded by water. Relying on its beautiful view and rich cultural heritages, it has developed into an attractive tourist destination. Covering an area of 153 hectares (0.6 square miles), the town consists of the east village, west village and north village.Shawan Ancient Town looks very primitive and elegant. Rows of houses, old streets and long alleys show the features of the ancient style. The most common attractions you can see here are ancestral halls, the number of which has reached 100. Some intangible cultural heritages, such as Cantonese folk music, the lion dance, and Piaose (a kind of folk art integrating play, magic, acrobatics, music and dance), are well preserved. Visitors can not only have an insight into the lives of the local people, but also experience the special folk culture.

FOSHAN

- **Jinbang Street -** Located in Daliang, Shunde District, Jinbang Street is a charming historic street that reflects the traditional Lingnan lifestyle and local culture. The street preserves many old buildings from the 1970s and 1980s, creating a striking contrast with the modern city surroundings. Visitors can stroll through the old neighbourhood, experience the authentic atmosphere of old Shunde, and sample some of its famous local delicacies.
- **Qinghui Garden -** Qinghui Garden is a renowned Lingnan garden dating back to the Ming Dynasty. Covering approximately 22,000 square metres, it is recognised as one of the Four Famous Lingnan Gardens, together with Liang Garden in Foshan, Yuyin Shanfang Garden in Panyu, and Keyuan Garden in Dongguan.The garden features elegant traditional buildings, pavilions, corridors, rockeries, ponds, and ancient trees. Highlights include the Boat Hall, Bixi Cottage, Chengyi Pavilion, Xiyin Study, and Zhuangyuan Hall. Its exquisite layout combines traditional Chinese architecture, landscaping, calligraphy, sculpture, and decorative arts, creating a harmonious blend of nature, architecture, and traditional Chinese culture.

ZHONGSHAN
