TOURIST ATTRACTIONS:

URUMQI

- **Xinjiang International Grand Bazaar -** Xinjiang International Grand Bazaar is one of the most iconic landmarks in Urumqi, integrating ethnic culture exhibitions, specialty shopping, dining, and tourism. The architecture features a strong Uyghur Islamic style, with tall towers, arches, and domes, making it highly recognizable.

KANAS

- **Kanas Scenic Area -** Kanas literally means "a beautiful and mysterious lake" in Mongolian. Xinjiang Kanas is a China National AAAAA Level Tourist Attraction, a National Geopark, a National Forest Park, a Nature Reserve & a National Natural Heritage property. Kanas Lake is mysterious and charming and rich in animal and plant resources. Make a stop and enjoy the beautiful scenery of Crouching Dragon Bay, Moon Bay and Fairy Bay. You will take a shuttle bus to go to the Fish-viewing Pavilion where you can get a panoramic view of Kanas Lake.

YINING

- **Sayram Lake -** "Sayram" in Kazakh means "blessing," and it is also commonly called "Santai Haizi." Sayram Lake resembles a sparkling "blue sapphire" nestled in the Western Tianshan Mountains, surrounded by rich pastures. The lake sits at an altitude of 2,073 meters, is slightly oval in shape, 20 km long from east to west, 30 km wide from north to south, covering an area of 454 square kilometers, and has a maximum depth of 86 meters, making it the highest altitude and largest alpine cold-water lake in Xinjiang.
- **Nalati Grassland -** Nalati Grassland is one of the world's four major grasslands and an alpine meadow plant zone, historically famous as a pasture. Valleys, peaks, deep gorges, and forests interweave beautifully. Nalati receives an annual rainfall of up to 800mm, favorable for pasture growth and supporting a high livestock load. Historically, it was known as the "Deer Park." Across the boundless grasslands, pearl-like white yurts are scattered, with snow-capped peaks to the south, creating a stunning contrast of green grass and white snow, forming a captivating landscape.

DUNHUANG

- **Mingsha Mountain -** The Mingsha Mountain Scenic Area is located in Dunhuang, Gansu Province, and is one of China's most renowned desert landscapes. The rolling sand dunes produce a humming sound when disturbed by wind or footsteps, giving the mountain its name. Together with the nearby Crescent Lake, it forms a unique natural phenomenon where desert and oasis coexist, making it a symbolic attraction of Dunhuang.
- **The Mogao Caves -** These are a world-famous Buddhist grotto complex. Founded in the 4th century, they feature exquisite murals and sculptures showcasing Buddhist culture and Silk Road history.
